Texas Stocking Stuffers

Looking for Texas-made items for those stockings hung with care? Here are three for many ages.

Two Garland women, Lisa Baker and Ellen Persefield, have created **Spa Towells** moisturizing towelettes. Each contains enough lotion for your entire body and has vitamin E antioxidant properties. You can purchase the 8-inch-square towelettes for \$1.49 each or in packs of five or more. They're available at Stanley Korshak and other Metroplex stores as well as at www.spatowells.com.
