THWEST AIRLINES

JULY 2007

Perfect for on-the-go self-care, Spa Towells' natural moisturizing factors soothe, moisturize, and revitalize dull, dry skin. Spa Towells are convenient, easy to carry, and eliminate spills and messes associated with traditional bottles and jars. Each moisturizing towelette contains a rich blend of natural oils with outstanding conditioning properties, powerful antioxidants that can help reduce free radical damage, and humectants that aid in preserving the skin's moisture. Towelettes contain avocado, safflower, jojoba, and almond emollient oils and antioxidant vitamins A, C, and E.
